The Keep Arkansas Beautiful Commission (KAB), consisting of a professional staff of three and a nine-member advisory board appointed by the governor, is a division of the Arkansas Department of Parks and Tourism. As a certified state affiliate of Keep America Beautiful Inc., KAB inspires and educates individuals to reduce litter, recycle and keep Arkansas beautiful. KAB is funded through its 1-percent portion of the eighth-cent Conservation Tax and, by mobilizing volunteers, returns to the state a cost benefit of more than \$6 in community service for each program dollar spent.
